Always made by hand, with small Square Tufts.
Spring Self-raising Lid Adjustments always put on the No. 225 without additional charge.

This cut shows how the springs in all of our Couches are tied; even the very cheapest couch has each spring tied eight times with heavy spring twine. It is absolutely impossible for springs to break down or upset with our construction as shown above.

When buying
Leather Goods
Buy the best.
It is the cheapest.

There is no manufacturer in the country who has been able to make Leather Goods as soft as ours, and yet so substantial.

This cut shows the arrangement of the springs in one of our Steel Frame Turkish Chairs. Each spring is tied eight times in all of our leather goods, even down to the very cheapest chair or rocker.

No. 1000. Center Seat.
